

Tandem Axle Bundle for John Deere Round Balers

A Tandem Axle Bundle is now available for installation on 6-Series, 7-Series, and 8-Series John Deere Round Balers.

This bundle will not fit the 457 or 458 Standard Round Baler.

Two bundles are available from RCI ENGINEERING LLC for Tandem Axles with the following specifications:

Bundle RC0183 is supplied with two (2) 31.5-15 Tires and Wheels.

Bundle RC0181 is supplied with two (2) 11L-14 Tires and Wheels.

Bundles without wheels and tires are available upon request.

Note: Balers with Push Bar and without *Mega Wide* Pickup also require one (1) RC0185 Spacer Block Bundle.

All warranty matters are handled by RCI ENGINEERING LLC.

Visit www.RCIengineering.com for more product information, ordering, and pictures of this bundle.
